Office of Legislative Counsel

25X1

SUBJECT:

Privacy Act Requests from Six Members of the  
House Select Committee on Assassinations

1. (IUO) As you may already be aware, six members (four current, two former) of the House Select Committee on Assassinations have requested under the Privacy Act all information this Agency maintains on them and specifically in their letters pinpointed security clearance check materials. Although we did not give Mr. Blakey the names of the six individuals involved, we did inform him of the receipt and nature of the requests.

2. (IUO) The Information and Privacy Staff informed me that all other Agency components except the Office of Security have responded to them and that all the responses are negative. This office has located some material on these individuals but it either was originated by OS or the HSCA and concerned the security processing.

3. (IUO) I would be appreciative it if your FOIA/PA office could expedite the tracing on the following six individuals. Also, please inform my office of the disposition of any documents before sending a final response to IPS.
